Re: Joseph S., et al. v. Hogan, et al., E.D.N.Y. # 06-CV-1042 (BMC)(SMG)

Dear Judge Gold:

The current schedule for expert discovery in this matter requires that sampling and psychiatric expert reports be served by June 25, 2010. Plaintiffs have requested that defendants consent to extend that deadline to June 29, 2010, because the plaintiffs' sampling expert has a family medical emergency and defendants have so consented. Plaintiffs therefore request that the Court extend the deadline for sampling and psychiatric expert reports to June 29th. No other changes to the schedule for expert discovery are necessary.

Respectfully submitted,
